Additionally, in order to participate in the election process, all eligible churches will have to complete the electronic registration form to include their number of voting delegates and their email address. The number of voting delegates is based on your church's contributions to the Unified Budget for 2018 and 2019. The deadline for registration is September 18, 2020.

ELECTRONIC ELECTION PROCESS

Upon the recommendation of President Washington and the approval of the Board of Directors, the election will take place on Wednesday, October 21, 2020. The elections will be held electronically using the Survey Monkey tool. Each church voting delegate must be listed on the registration form with their individual email address.
